

CHIPOTLE CHICKS

Well, October is finally here. Summer is now just a memory (a hot one!) and one's thoughts turn to the holiday season, starting with Halloween. The Chipotle Chicks (aka Sheila DeSimio and Kathy Yelton) will spend part of the holiday season planning for next year and processing what we can (did you get it?). We also have an upcoming appearance on a television near you.

We're coolin' off

Before you know it, frost will be on the pumpkin. The market will be ending on 10/29, but the Chipotle Chicks have plans for continuing to sell products via events at our farms, including holiday gift baskets.

The first event will be at 2 Dog Ranch, Sheila's place outside of Augusta. October 23, 2005 is the date for an open house. This is a way we can say 'thank you' to all of our loyal customers and give you an opportunity to select gifts for those near and dear to you. Plus, there will be fall color to enjoy and new taste treats we are planning to share with you. This will give us a chance to share recipes with you and get feedback on what you would like to see us produce. Be sure to ask for directions to Sheila's farm.

We have yet to set a date for the event at Kathy's farm. Stay tuned.

Web Site is coming!

The domain name of www.chipotlechicks.com belongs to us! We are working on getting a site up which will give you additional information on use of

our products, directions to our farms, etc. We hope to have this up before the end of October.

We are going to be on TV!!!

On October 18, the Chicks are going to be on Insight's Channel 6 around 10:30 a.m. We will be talking with Sandy Megowen about our products and how to use them to better your life. Check it out!

Stay in touch. . .

Our mailing list is growing with every market day. Soon you will be getting either an e-mail or snail mail from us.

Thanks to all of you for your support this summer. We are so grateful for the enthusiasm you have shown for our offerings and for the conversations and relationships that have ensued. Should you want to visit either of our farms, please feel free to contact us.
